Reviewer’s report

Title: The implementation of a quality system in the Dutch GP Specialty training: barriers and facilitators; a qualitative study

Version: 2 Date: 23 Mar 2017

Reviewer: Jamiu Busari

Reviewer's report:

Dear Editor,

I have gone through the revised version of this manuscript and am happy with the corrections the authors have performed. The purpose and the message of the manuscript is more evident and the additional diagrams are very helpful.

I would strongly suggest the manuscript be proofread by a native English speaker prior to full acceptance. There are a couple of minor grammatical errors that need to be addressed, so as to improve comprehension.

I commend the authors for the work they have done!

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
