Reviewer’s report

Title: Changes in patient-centered attitude and confidence in communicating with patients: A longitudinal study of resident physicians

Version: 1 Date: 15 Dec 2017

Reviewer: mandana shirazi

Reviewer’s report:

Dear Editor and authors,

Hi,

I have reviewed the manuscript first revision, Thanks for changes that authors made regarding introduction as well as method and other parts of the manuscripts. However, still I would like to know more about demographic characteristics of non-participant group. Unfortunately this study has fifth important limitations and making decision regarding publishing or non-publishing the manuscript, which is not easy task. I would like to leave the final decision to the editor.

Regards

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
