Reviewer’s report

Title: Medical students: what educational resources are they using?

Version: 1 Date: 05 Jun 2018

Reviewer: Windsor Sherrill

Reviewer's report:

more information about question banks (pg. 6)

line 26 of pg. 7 is a fragment using two different programs weaken study provide more detailed explanation of concept of "revising old skills" and "revision versus learning"

line 6, pg 13: explain your categorization of careers (expected residencies?) particularity explain critical care typology "like a game with a top score that needs to be beaten, appealing to the naturally competitive nature of medical students" need citation to support this perhaps connect these gender findings to recommendations vis-a-vis programs and availability of question banks, pg. 15

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

No

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review
Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
