Title: A physician-scientist preceptorship in clinical and translational research enhances training and mentorship

Version: 0 Date: 01 Mar 2019

Reviewer: Gerald Wickham

Reviewer's report:

This retrospective dive into your MTSP cohorts is a positive step in better understanding clinical-translational curriculum/learning experiences, and is a valuable contribution to the medical education literature. Only one point of feedback – if there are open-ended narrative statements from postgraduates in your survey I would encourage you to select a balance of these for inclusion in the publication. Otherwise, thank-you for this important work.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
