Reviewer’s report

Title: The Impact of Gender and Academic Achievement on the Violation of Academic Integrity for Medical Faculty Students, a descriptive cross-sectional survey study

Version: 1 Date: 21 Jul 2019

Reviewer: Saroona Haroon

Reviewer's report:

This is overall a well written and exquisite article. However for the conclusions' part, it needs to be re-written with more attention to the facts and figures presented in the data of articles, rather than just writing a paragraph about generalized concepts of Academic misconduct.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

No

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

No

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
