Title: Caring for Quality of Care: Symbolic Violence and the Bureaucracies of Audit

Version: 2 Date: 29 September 2014

Reviewer: jonathan Herring

Reviewer's report:

This is an excellent article.

Discretionary Revisions

There have been several important more books on Ethic of Care, which could be cited, e.g. Held, Ethic of Care. It may in particular help to cite those that have sought to put an ethic of care into national and political context e.g. Engster, The Heart of Justice and Connected Lives by Groenhout.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
