Reviewer's report

Title: Research Partnerships Between Developing and Developed Countries: Are Global Partnerships Always a Good Thing?

Version: 2 Date: 14 November 2014

Reviewer: Paul Ndebele

Reviewer's report:

Minor essential revision:
Line 178 - Malawi's doctor to population ratio is a result of several factors including the fact that Malawi started training doctors recently.
Line 209 - Please clarify - whether referring to developed or developing country institutions that can be exploited.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
