Title: Advance directives in France: Do junior General practitioners want to improve their implementation and usage? A nationwide survey

Version: 1 Date: 29 Nov 2018

Reviewer: Reviewer 2

Reviewer's report:

REVISION ASSESSMENT FROM THE ACADEMIC PEER REVIEWER:

Has the author addressed your concerns sufficiently for you to now recommend the work as a technically sound contribution? No

Reviewer comments: The answers to the reviewers questions are detailed and very helpful but a lot of this information should go in the text eg in relation to the French legal system and the title should include the word France within it, eg, Advance Directives in France .................... . The manuscript itself is very short and much of the helpful detail that the author(s) provide in relation to the reviewer's questions should appear in the text.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
