Reviewer’s report

Title: Improving Bone Mineral Density Reporting to Patients with an Illustration of Personal Fracture Risk

Version: 2 Date: 21 July 2014

Reviewer: Chiung-ju Liu

Reviewer’s report:

Minor Essential Revisions
- Proofread before submitting for publication
- Check all references. For example, reference 30 in the last paragraph [the discussion] does not seem to be the correct reference

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
