Title: Multi-part Quality Evaluation of a Customized Mobile Application for Monitoring Elderly Patients with Functional Loss and Helping Caregivers

Version: 2 Date: 03 May 2019

Reviewer: Mona Choi

Reviewer’s report:

Dear authors,

Thank you for your effort to revise your manuscript, which seems to incorporate reviewers' comments into your revised paper. The structure and format have been much improved compared to the previous version.

I have only minor comments.

-p. 10, left, line 44-45: please change "Meilling and Jeongeun [18]" to "Jin and Kim [18]"
Accordingly, please double check and correct the reference 19 on p. 12.

-Please provide figures with decent resolutions as the journal requires. Currently, some parts of your figures are not clear for readers.

Thank you.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
