Reviewer’s report

Title: Coronary Heart Disease and Mortality Following a Breast Cancer Diagnosis

Version: 1 Date: 05 Apr 2020

Reviewer: Ruoqi Liu

Reviewer's report:

1. The evaluation metrics list in Supplementary are not correctly defined. E.g., precision should be TP/(TP+FP), recall should be TP/(TP+FN). Please also check whether these metrics are used properly in the experiments. If not, please re-conduct the experiments and update the results.

2. In Table 3 of Supplementary, please bold the values that reach the highest performance compared with others.

3. Grammar issues: line 40-41 of page 10, "Our next step is to...which individual treatments...were the most important...".

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published
**Declaration of competing interests**

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
