Reviewer's report

Title: The Role of a Clinical Nurse Consultant in an Australian Health District: a quantitative survey

Version: 3 Date: 31 January 2015

Reviewer: Madrean Schober

Reviewer's report:

Minor Essential Revisions
1. Domains of the CNC Role; Discussion section; Conclusion - reference style for citations used differs from the style used in the rest of the paper.
2. Research: typo indicted to indicated?

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
