Reviewer’s report

Title: Clinical Placement Experiences by Undergraduate Nursing Students in Selected Teaching Hospitals in Ghana.

Version: 1 Date: 06 Dec 2018

Reviewer: Jayne Donaldson

Reviewer’s report:

Literature review: please give some attention to the work by Aitken and others about the value of graduate nurses on surgical mortality. The introduction reads rather negatively and needs to be more balanced.

Sample: how was this chosen? from what population in total?

The use of the term 'gadget' tends to refer to a device used by lay members of the population. Are you really referring to medical devices and/or information technology?

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
