Reviewer’s report

Title: Hepatitis C Virus Screening and Treatment in Irish Prisons from a Nurse Managers' Perspectives - A Qualitative Exploration

Version: 0 Date: 01 Oct 2018

Reviewer: Josiah D. Rich

Reviewer's report:

This is a well written article that provides an important perspective on an important topic.

It would be helpful to know more about the 12 nurse managers- how big is the whole pool of nurse managers in the country? Is this all of them or just 10%, and if so, how were they selected and were they compensated for participation?

Page 17, line 48, change "nursed" to "nurses"

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
