Title: The Importance of Professional Values from Nursing Students' Perspective

Version: 0 Date: 19 Jan 2018

Reviewer: Graham Williamson

Reviewer's report:

It's a limited survey in one area and you acknowledge that. You might make a bit more of your convenience sampling and the concept of desirability bias in your limitations for the resub. I can't see any clear statement on ethical approval for the study, or if that was not required please state why.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
