Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

The manuscript is well written, except for a few minor typos which should be corrected. For example:
  i) On page 9, line 179, it should be daily basis not bases
     ii) On page 17 line 296, some patients not patient
     iii) On page 18 under Strength and limitations: It is better to give the strengths before the limitations. Give implications for Nursing Practice, Nursing Education and Research.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
