Title: Mastery Learning in a Bachelor’s of Nursing Program: The Roseman University of Health Sciences Experience

Version: 1    Date: 17 Sep 2019

Reviewer: Emilia Kielo

Reviewer's report:

Thank you for revising your manuscript. You have answered to my comments and revised the manuscript well. I have only two minor comments left:

Could you shorty explain somewhere in the text or together with the table 2 how many hours of student's work is one credit in your system. (For example in Europe, 1 credit (ECTS) is approx. 27 hours of student's work.)

Results: Was the difference between national pass rates and RUHS CON scores statistically significant?

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review
