Reviewer’s report

Title: The Effect of Education around Ethical Principles on Nurses’ Perception to Patient Safety Culture in an Iranian Psychiatric Unit: A Pilot Study

Version: 0 Date: 22 Jul 2019

Reviewer: anthony summers

Reviewer's report:

Page 2

Line 6, 41 - try not to end the sentence with etc

Line 15 - needs reference to support claim about Australia

Line 24 - give a figure rather than the notional sum of millions

Introduction is clumsily written in areas, makes some interesting points and does set up the paper

Page 3

Line 16,29 - spell out abbreviation first time it is used

Research design brief does not clearly provide information on what happened

Data collect - clear

Results - well laid out and appropriate, tables a little cramped

Well presented discussion, some clumsiness in the use of language in places

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
