Reviewer's report

Title: Aboriginal health research in the remote Kimberley: An exploration of perceptions, attitudes and concerns of stakeholders

Version: 5 Date: 1 October 2014

Reviewer: Mark Brough

Reviewer's report:

I have reviewed the revised manuscript and the covering letter detailing the response to reviewers comments and I can confirm that I believe the paper is now suitable for publication. The authors have responded thoughtfully to the suggestions and I am very supportive of this paper now going forward.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
