Reviewer's report

Title: Implementing a care pathway for elderly patients, a comparative qualitative process evaluation in primary care

Version: 2 Date: 24 October 2014

Reviewer: Rafael Vercelino

Reviewer's report:

Minor Essential Revisions

The figure 1 is very illustrative, but I believe that the figure 1 can be black and white. Colors pollute the figure.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

Dear Editor,

I declare that I have no competing interests, whether personal, financial or editorial referred to to this publication.
