Reviewer's report

Title: Adherence to anti diabetic medication among patients with diabetes in eastern Uganda; a cross sectional study

Version: 5 Date: 19 December 2014

Reviewer: mary justin-Temu

Reviewer's report:

On page 10 from the bottom second sentence which reads " Unfortunately in rural areas, few patients can afford such costs" The last word is too complex I suggest to replace with the word costs" with "price". This was an over-site in the previous review. Space between the Subtopics and paragraphs will be OK.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
