Reviewer's report

Title: Assessment of primary care facilities for cardiovascular disease preparedness in Madhya Pradesh, India

Version: 3 Date: 8 November 2014

Reviewer: Devarsetty Praveen

Reviewer's report:

No additional comments. Seems good to be published.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
