Reviewer’s report

Title: Psychometric evaluation of an interview-administered version of the WHOQOL-BREF questionnaire for use in a cross-sectional study of a rural district in Bangladesh: An application of Rasch analysis

Version: 1 Date: 28 Feb 2019

Reviewer: Tatjana M. Gazibara

Reviewer's report:

The authors have made the effort to revise their manuscript.

I have additional minor comments:

1. Please add page number to the reference inside the square bracket so it reads [3, p.1403].

2. Please modify the start of sentence "2425 adult Participants…” so as to start with a word not a number.

3. Please use Bangla or Bengali consistently throughout the manuscript (Bangla is used in the questionnaire description, while Bengali is used in other places).

4. Please include the explanation in the text that the age of 60 as a cut-off for classification of persons to "older adult group".

5. Please omit the first sentence in the Conclusion paragraph and start with "In conclusion…”

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
