Reviewer’s report

Title: Strengthening referral systems in community health programs: a qualitative study in two rural districts of Maputo Province, Mozambique

Version: 1 Date: 18 Nov 2018

Reviewer: Judy Taylor

Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format. Please overwrite this text when adding your comments to the authors.

Thank you for enabling me to see this manuscript again and thank you for your work on this. Just one point for your consideration - I would like to see some mention of theory to support your findings in the abstract. best wishes Judy

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
