Reviewer’s report

Title: Community Utilisation and Satisfaction with the Community-Based Health Planning and Services Initiative in Ghana: A comparative study in two System Learning Districts of the CHPS+ Project

Version: 0 Date: 18 Oct 2019

Reviewer: Yanhong Gong

Reviewer's report:

1. Research significance of this paper is limited.
2. The article is too long and much information is redundant. Furthermore, the logic of this article is unclear.
3. The calculation of sample size is blurred.
4. Some important information was not presented, such as the cut-off point of the dichotomous variable of satisfied (1) and not satisfied (0) was not illustrated.
5. Figure 1, Figure 3, and Figure 5 are all redundant.
6. There are a lot of grammatical errors.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

No

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

No

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:
Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

No
