Reviewer's report

Title: Why Muslim women in northern Ghana do not use skilled maternal healthcare services at health facilities: A qualitative study

Version: 4 Date: 30 March 2015

Reviewer: Lucia D’Ambruoso

Reviewer's report:

I have now reviewed the revised paper and am happy for the manuscript to be accepted. My only comments are that the paper could use a careful copy edit for grammar and attention to consistency with abbreviations. I have also completed the form below

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests'
