Title: Sex work stigma and non-disclosure to health care providers: data from a large RDS study among FSW in Brazil

Version: 1 Date: 25 Oct 2018

Reviewer: K Biello

Reviewer's report:

Thank you for your response to the initial reviewer comments. You were very responsive and the manuscript is substantially approved with much more clarity and focus. My only remaining comment (and it is minor) is that you use the term "univariate" when I believe you mean "bivariate" and you use the term "multivariate" when I believe you mean "multivariable."

Are the methods appropriate and well described? If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls? If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown? If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review? If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
