Reviewer's report

**Title:** Safe Prescribing of Non-Steroidal Antiinflammatory Drugs in Patients with Osteoarthritis. An Expert Consensus Addressing Benefits and Gastrointestinal as well as Cardiovascular Risks

**Version:** 8  **Date:** 28 January 2015

**Reviewer:** Neville Yeomans

**Reviewer's report:**

The authors have done a nice and comprehensive job of responding to my suggestions and comments. I also had the chance to look at their responses to the other reviewer and feel that they made a judicious set of choices about which would improve the paper and which were less important.

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

No conflicts.
