Reviewer’s report

Title: Joint association between birth weight at term and later life adherence to a healthy lifestyle with risk of hypertension: A prospective cohort study

Version: 2  Date: 12 June 2015

Reviewer: Karien Stronks

Reviewer’s report:

I am satisfied with the way the authors have addressed the issues raised in the three review reports, and would recommend accepting the paper as it stands.

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
