Reviewer's report

Title: Joint association between birth weight at term and later life adherence to a healthy lifestyle with risk of hypertension: A prospective cohort study

Version: 2 Date: 14 June 2015

Reviewer: George Zhang

Reviewer's report:

The authors have addressed the issues. Thanks.

There seems a typo. “± standard deviation (SD)” was not actually reported in Table 1. Please revise accordingly in the main text “Statistical Analysis” and the footnote of Table 1.

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
