Reviewer’s report

Title: A randomized, controlled trial of dietary improvement for adults with major depression (the 'SMILES' trial)

Version: 2 Date: 20 Dec 2016

Reviewer: Mark Weaver

Reviewer's report:

The authors have been quite responsive to prior reviewer comments, and I believe the manuscript to be improved. I particularly appreciate the additional steps that the authors have taken to explore the robustness of their conclusions. I also greatly appreciate the fact that the authors have taken care to present their data in as transparent a manner as possible. Finally, I would like to say that I also endorse the authors' response to the comment regarding adjusting for multiple comparisons.
