Reviewer’s report

Title: Improving engagement with healthcare in hepatitis C: a randomised controlled trial of a Peer Support intervention

Version: 1 Date: 04 Mar 2019

Reviewer: Paul Haber

Reviewer’s report:

The revised manuscript addresses my questions well.

I asked for a reference to Walsh et al and this was my mistake. Walsh was second author and this paper was already included as reference 14. I apologise for this error.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
