Reviewer’s report

Title: Building the Case for Actionable Ethics in Digital Health Research Supported by Artificial Intelligence

Version: 1 Date: 07 Jun 2019

Reviewer: Markus Christen

Reviewer's report:

The authors have addressed my critique sufficiently. I think the paper is now ready for publication.

However, the authors should perform a final language check. Some corrections led to mistakes, e.g.:

Background, first paragraph:
...identifies gaps to be addressed DELETE "TO BE ADDRESSED", ADD SHOWS several efforts underway to address these gaps...

Section "new initiatives"
Over the past few years, several initiatives have begun to address the ethical, legal and social implications (ELSI) ADD OF the digital revolution in healthcare.

Furthermore, I suggest to introduce the table as an example as follows (just a suggestion):

... the digital revolution in healthcare. PROMINENT EXAMPLES OF SUCH INITIATIVES CONCERNS AI. The A.I. foci is broad and includes autonomous ...

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below.

If your reply is yes to any, please give details below.

I declare that I have no competing interests.

**Statement on potential review bias**

Please complete a statement on potential review bias, considering the following questions:

1. Did you co-author any publication with an author of this manuscript in the last 5 years?

2. Are you currently or recently affiliated at the same institution as an author of this manuscript?

If you can answer no to all of the above, write 'I declare that I did not publish with these authors in the last 5 years and also meet the affiliation criteria”. If your reply is yes to any, please give details below.

I declare that I did not publish with these authors in the last 5 years and also meet the affiliation criteria.
