Reviewer's report

Title: Celiac disease: A comprehensive current review

Version: 1 Date: 09 Jun 2019

Reviewer: Justine Turner

Reviewer's report:

I have only very minor suggestions - again mainly for readability - and then this comprehensive review can be published.

Abstract:
Line 17, suggest main body "One of the milestones in the history of celiac disease was the identification of tissue ..."
Line 40, Conclusion "The present review is timely and provides a ..."

Introduction:
Page 3, line 28, please change "raise of" to "rise in"

Diagnosis:
Page 13, line 18, Suggest "Both pros and cons exist to biopsy for children with suspected celiac disease; however ..."

Follow up"
Page 26, line 33, please add "is" before "lacking"

Thank you again, this will be an excellent educational tool I look forward to sharing with trainees!
Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

None

**Statement on potential review bias**

Please complete a statement on potential review bias, considering the following questions:

1. Did you co-author any publication with an author of this manuscript in the last 5 years?

2. Are you currently or recently affiliated at the same institution as an author of this manuscript?

If you can answer no to all of the above, write 'I declare that I did not publish with these authors in the last 5 years and also meet the affiliation criteria'. If your reply is yes to any, please give details below.

None
