Reviewer’s report

Title: Three myths about risk thresholds for prediction models

Version: 1 Date: 31 Aug 2019

Reviewer: Milo Puhan

Reviewer's report:

The authors provide a thorough revision of the paper and I do not have any further comments. This is a very valuable paper for the readers of BMC Medicine.

Quality of written English

Please indicate the quality of language in the manuscript:

Declaration of competing interests

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organisation that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests

Statement on potential review bias

Please complete a statement on potential review bias, considering the following questions:
1. Did you co-author any publication with an author of this manuscript in the last 5 years?

2. Are you currently or recently affiliated at the same institution as an author of this manuscript?

If you can answer no to all of the above, write 'I declare that I did not publish with these authors in the last 5 years and also meet the affiliation criteria". If your reply is yes to any, please give details below.

I have published with members of the STRATOS Initiative but not with the authors listed on the paper.
