Title: Significant Random Signatures Reveals New Biomarker for Breast Cancer

Version: 1 Date: 03 Oct 2019

Reviewer: Zhi-Ping Liu

Reviewer's report:

I appreciate the revised manuscript which has addressed most of my former comments. I support publication. If the authors can list the genes overlapped with the MammPrint, this will indicate the novelty identified genes. The figures need be presented in higher resolution.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
