Reviewer’s report

Title: Intake of partially defatted Brazil nut flour reduces serum cholesterol in hypercholesterolemic patients- a randomized controlled trial

Version: 1 Date: 29 November 2014

Reviewer: Shridhar Sathe

Reviewer’s report:

The manuscript contains succinct data/results from a DBPC study and the authors do recognize the limitations and the strengths of the findings. The manuscript is acceptable as is and I have no further comments.

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
