Author's response to reviews: see over
Dear Editor,

We are pleased to resubmit our manuscript entitled “Shoshin Beriberi in Critically-Ill Patients: A Case Series”, for consideration in your honorable journal, Case Reports section.

The comments forwarded by your reviewers were taken into consideration and the point-by-point response to the concerns is addressed.

Ref#2: Correct the page numbers: Done

Ref#4, 5, 12,14,16,18,20: Provide the full-page numbers, if it is the format followed throughout: Done

Ref#13,15,19: Are these single page articles? Yes, those are single page articles.

Figures 1A to 1D: Label X – and Y- axis. Labeled

Figure 2: Provide a very short description of this figure as a figure legend. The legend is expanded to provide a short description of figure2.

We look forward to see our publication in your journal.

Sincerely,

George R. Dabar MD
