Reviewer's report

Title: The Integrated Nutrition Pathway for Acute Care (INPAC): Building consensus with a modified Delphi.

Version: 1  Date: 27 May 2015

Reviewer: Rose Ann DiMaria-Ghalili

Reviewer's report:

major revisions: none. This is a well developed manuscript describing the Delphi technique applied to development of nutrition care pathway for use in Canadian hospitalized patients

Minor revisions
Please describe the questions used during the focus group to facilitate discussion.

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I do not have any competing interests with this manuscript. However, I do have NIH STTR funding for development of a device to wirelessly monitor fluid intake, I am also co-founder of a start up company and my financial shares are less than 5,000 (five thousand dollars).
