Reviewer's report

Title: Relationship between daily isoflavone intake and sleep in Japanese adults: a cross-sectional study

Version: 4 Date: 24 November 2015

Reviewer: Masakazu Terauchi

Reviewer's report:

The manuscript was revised satisfactorily according to the reviewer's comments, except for a couple of minor mistakes shown below.

Minor Essential Revisions
#1 a number of grammatical errors (P15 L302, L306, and L309, to name a few)
#2 The word "menopausal" the authors used in the new paragraph should be replaced with "premenopausal" (P15 L312 & L314). "Menopausal" usually means "post-menopausal".

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
