Reviewer’s report

Title: Association between time perspective and organic food consumption in a large sample of adults

Version: 0 Date: 10 Jul 2017

Reviewer: evan cherniack

Reviewer’s report:

The manuscript is basically fine. I just have a few minor corrections:

Line 241: "Future time perspective": awkward diction.

243: "Consideration of future consequences" is not a "personality trait" but a behavior. Change "altruist" to "altruistic"

There are two tables at the end that were not successfully downloaded and so I could not see them.
