Reviewer’s report

Title: Body size perceptions and preferences favor overweight in adult Saharawi refugees

Version: 2 Date: 28 Dec 2017

Reviewer: Bruna Hassan

Reviewer's report:

Dear authors,

You have met all recommendations. I have only one alteration that should be considered. Table 3 is confusing because you have body discrepancy, self-perceived body size and desired body size, and it is not possible to understand what the columns and rows refer to.
