Reviewer’s report

Title: Regional and socioeconomic variations in dietary patterns in a representative sample of young Polish females: a cross-sectional study (GEBaHealth Project)

Version: 1 Date: 17 Mar 2020

Reviewer: Jana Strahler

Reviewer's report:

I thank the authors for considering my comments and for revising the manuscript accordingly. The arguments when rebutting are reasonable. Of note, dividing a large project into multiple analyses requires special types of caution and needs to be legitimised. For the present manuscript, this is given. I have no further comments.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
