Reviewer’s report

Title: Prenatal exposure to antifungal medication may change anogenital distance in male offspring: A preliminary study

Version: 0 Date: 11 Apr 2017

Reviewer: Marjan Vracko

Reviewer’s report:

Review of article: Prenatal exposure to antifungal medication may change anogenital distance in male offspring

By:

DM Mogensen, MB Pihl, NE Skakkeboek, HR Andersen, A Juul, HB Kyhl, S Swan, DM Kristensen, MS Andersen, DV Lind, TK Jensen

I recommend the manuscript to be accepted in the present form.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:

Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I have no interests regarding the issues under points 1-6.

I agree to the open peer review policy of the journal.
