Reviewer’s report

Title: Prenatal exposure to antifungal medication may change anogenital distance in male offspring: A preliminary study

Version: 1 Date: 02 May 2017

Reviewer: Angelo Moretto

Reviewer's report:

Most points have been addressed. However, the discussion is too long and too much emphasis is put on the 4 cases of tablet intake.

Level of interest
Please indicate how interesting you found the manuscript:

An article of limited interest

Quality of written English
Please indicate the quality of language in the manuscript:
