Reviewer’s report

Title: Particulate air pollution on cardiovascular mortality in the Tropics: Impact on the elderly

Version: 1 Date: 21 Jan 2019

Reviewer: Pablo Orellano

Reviewer's report:

The authors have made a good job following the suggestions of the reviewers, and the present manuscript was improved from the original version. All my concerns were considered and addressed, or in some cases a satisfying justification for not following the suggestions was provided. In my opinion, the manuscript is suitable for publication in the current form.
