Reviewer’s report

Title: Long-term exposure to air pollution and hospitalization for dementia

Version: 1 Date: 05 Jul 2019

Reviewer: Devon Payne-Sturges

Reviewer's report:

Authors have addressed all of my comments except including footnote about relevant national and/or EU air pollution standards to Table 3. In their response to reviewer comments, the authors state that they have included this information. However the version of Table 3 resubmitted does not have this footnote.
