Title: Genetic Anomalies in Fetuses with Tetralogy of Fallot by Using High-definition Chromosomal Microarray Analysis

Version: 0 Date: 27 Mar 2019

Reviewer: Lamia Ait Ali

Reviewer's report:

In this study the authors evaluated genetic anomalies in fetus with tetralogy di Fallot and investigated the association between genetic anomalies and US abnormal fetal cardiac angle as well as the association with intra and extracardiac anomalies. They found an overall of 13.3% of genetic anomalies in their study population and there were associated with extracardiac anomalies and abnormal US cardiac angle. The study is of interest.

Minor comments have to be addressed.

Did the 5 patients with trisomy 21 had AVC ?

Please Correct in the table legedn: TOFTABLE2 line 395

Table 2 correct Major Aort pulmonary Col-lateral Artery in Major aortopulmonary collaterals

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
