Reviewer's report

Title: Job satisfaction and turnover intention among Iraqi doctors - a descriptive cross-sectional multi-center study

Version: 2 Date: 27 March 2015

Reviewer: Marc Bonenberger

Reviewer’s report:

I have reviewed the article a second time and I am now satisfied that my previous comments have been adequately responded to and addressed in the article.

Although the authors have conducted some English language editing, I still believe that the manuscript would benefit from a more careful editing before publication.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
