Reviewer's report

Title: Incentives for non-physician health professionals to work in the rural and remote areas of Mozambique - a discrete choice experiment for eliciting job preferences

Version: 2 Date: 12 October 2014

Reviewer: Antonia Girardi

Reviewer's report:

The discretionary revisions have been adequately addressed in the revised manuscript.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
